

**SANDLOT SLUGGERS BASEBALL**  
**A PROGRAM OF**  
**DREAM BIG – DO IT BIG, INC.**  
**A NON PROFIT ORGANIZATION**

We are a developmental & competitive traveling baseball organization from Bradenton, Florida. Our teams are comprised of young baseball players from Bradenton, Sarasota and surrounding areas. Our goal is to create an environment of baseball for the young athlete that will help them develop so that they will be able to reach and achieve their own personal goals. We will do this through intensive training of the game, instructional camps, playing competitive teams, and competing in tournaments. We ask that our players have a strong **WORK ETHIC** that will allow them to be successful on the baseball field as well as life. Through this concept we feel that we will make good baseball players and even better men.

Sandlot Sluggers Baseball main objective is to provide an opportunity for developing and enhancing physical and mental skills, providing excitement, promoting cooperation, learning team work and fun that will be instrumental for tomorrow's leaders. Furthermore, we will develop good sportsmanship, physical fitness, teach the skills and techniques of youth sports and represent the community with the greatest amount of pride!

Sluggers Baseball is committed to providing each and every youth in our community the opportunity to experience and learn the basic fundamentals of baseball in a safe, family oriented and educational environment. All players will be taught the qualities of good sportsmanship, respect of the game, how to compete and how to except failure. We will also strive to nurture and educate our young players to grow into honest, loyal and hard working people of the future.

**We have teams from the ages of 9u, 10u, 11u, 12u, 13u, 14u, 16u, 18u**

**If you have any questions about tryouts please contact us at:**

**Come on out and join a great new organization!**
